

## **Northern Machining & Repair Inc. Scholarship Application Criteria (2) \$300 Machining / (2)\$300 Welding**

These scholarships are for students participating in Delta-Schoolcraft ISD Machine Shop and Welding Programs. Four scholarships will be awarded in mid April so local schools can recognize the student at their award ceremonies.

### **The Scholarships will be based upon the following criteria:**

- Student must be a graduating senior.
- Must be enrolled in Machining or Welding.
- Must have a B or better grade point average in their CTE program.
- Must be enrolled at a college, trade school or apprenticeship program for this fall.
- Must plan to use the scholarship for the upcoming fall semester only.
- Must complete a scholarship application and personal statement essay.

### **Students are rated on the following areas:**

- Performance in their Career-Technical Education Program.
- Interest in welding or machining as a career.
- Attendance in their Career-Technical Education Program.
- Attitude.
- School and Community Activities.
- Work Experience.
- Essay.

The deadline for scholarship applications submission is **3:00 p.m. on FRIDAY, APRIL 7, 2017.**
