Randy Irving Scholarship Application Criteria \$700 Scholarship

The scholarship is for students enrolled in Automotive or Welding programs at the Delta-Schoolcraft ISD CTE Center. It will be awarded in mid April so local schools can recognize the student at their award ceremonies.

The Scholarship will be based upon the following criteria:

- Student must be a graduating senior.
- Must be enrolled in Automotive or Welding.
- Must have a B or better grade point average in their CTE program.
- Must be accepted to Bay College in the Automotive or Welding program.
- Must demonstrate a financial need or have an economic barrier.
- Must plan to use the scholarship for the upcoming fall semester only.
- Must complete a scholarship application and personal statement essay.

The student receiving this scholarship must be need based with an economic barrier and a financial need. The scholarship awarded must be used by the recipient for the next fall semester, not saved for future semesters. Therefore, please be sure that students applying for the scholarships are absolutely positive they will attend Bay this fall as scholarships cannot be transferred.

Students are rated on the following areas:

- Performance in their Career-Technical Education Program.
- Interest in automotive technology or welding as a career.
- Attendance in their Career-Technical Education Program.
- Attitude.
- School and Community Activities.
- Work Experience.
- Essay.

The deadline for scholarship applications submission is **3:00 p.m. on FRIDAY, APRIL 7, 2017.**
