

VanAire Inc. Technical Skills Scholarship Application Criteria (3) \$500 Scholarships

VanAire Inc. is a manufacturer of Engineered Valve Automation Hardware, provider of Environmental Solutions to wastewater pre-treatment and by-product recovery, and contractor for machining and manufacturing services. The company generates over \$10 million in annual sales, and the Gladstone facility employs 75 people, including several former students who started their training at Delta-Schoolcraft ISD.

VanAire Inc. would like to support Delta-Schoolcraft ISD Career and Technical Education (CTE) students with three \$500 scholarships – for three students in machining, pre-engineering or welding.

The Scholarships will be based upon the following criteria:

- Graduating senior enrolled in machining, pre-engineering or welding program your senior year.
- Enrolled full time for the upcoming fall semester at a college, trade school, or apprenticeship program. Provide proof of enrollment (letter of acceptance from the college, trade school or apprenticeship program with student ID number).
- Preference will be given to students who are pursuing a career in machining, welding, pre-engineering or mechatronics.
- Have a B or better grade average in your ISD CTE program
- Your application and essay will be evaluated on class performance, attendance, attitude, involvement in school and community activities, and work experience.

How to Apply:

- Complete the ISD online application and print it.
- Write a one page essay that includes why you deserve this scholarship, and your activities and accomplishments, both in and out of school. If you have been accepted into an apprenticeship program, state in your scholarship essay that the scholarship will be used to purchase tools of the trade.
- Submit application, essay, and copy of letter of acceptance from school or apprenticeship program to any staff person in Student Services. You will be given a receipt verifying that your application, essay, and letter (if going to college, trade school or apprenticeship) were submitted on time.

If you apply for a scholarship, it is expected that you be present at the spring ISD awards program where scholarships are presented. If selected for the scholarship, a thank you letter to VanAire Inc. is required.

The deadline for scholarship applications submission is **3:00 p.m. on FRIDAY, APRIL 7, 2017.**
